Canyons of the Colorado (Penguin Classics) John Wesley Powell

"Canyons of the Colorado" by John Wesley Powell is a classic of American exploration literature. It is based on the Powell Geographic Expedition of 1869, which was the first trip down the Colorado River by boat, including the first trip through the Grand Canyon.

This Book brings Powell's incredibly detailed descriptions of the landscape and people who inhabited the Canyons together with beautifully composed videos of the Grand Canyon and its surroundings.
