Drupal for Education and E-Learning Bill Fitzgerald

The book focuses around creating educational activities in Drupal, with lots of examples of realistic courses and classroom ideas “ and how to implement them. This book is for anybody looking to use Drupal to support teaching and learning; more generally, the examples given in this book can also be used by anybody looking to use Drupal to publish social media. This book is not a developer's manual; you do NOT need to know code, or HTML, or CSS, to benefit from this book. People new to Drupal will find clear examples describing how to set up their site. More experienced Drupallers will find tips and tricks for extending their site, and step-by-step instructions on how to make the most out of Drupal's flexibility.
