A cruise vacation can be made stress-free and enjoyable if you have prepared for certain things and know how to get the most out of the entire experience. This book will help you plan for an awesome cruise ship adventure that will really help you get away from it all, have fun, meet new people and create lifetime memories. 1. A little research before making final bookings for a cruise will help you save lots of money. Look for deals that are all-inclusive of cabin, meals, entertainment, room service and activities which you can get at a bargain price. 2. Booking late is actually a great strategy for getting discount deals. Travel operators usually give away huge discounts at the very last minute to attract more passengers. If you don't mind not getting the best cabins, then you can decide to book at the very last days the travel is scheduled. 3. Booking in advance can give you as much as 50% savings. This is the strategy of most travel agencies in order to promote certain cruise packages and hype it up to travelers. 4. Get cruise insurance so you can get your money back in the event of cancellations or delays. 5. Take advantage of duty free shopping on and off board so you can get as much as 60% off on retail prices.
