Jaded: A Novel (Mended Hearts Series Book 1) Varina Denman

As a child, Ruthie was shunned by the local congregation. Thirteen years later, Ruthie's heart begins to stir when an attractive single preacher arrives. But their relationship is bitterly opposed—unearthing a string of secrets which threaten to turn the church, the town, and her world upside-down.

Jaded is the rare novel that is both love story between a woman and man ... and God and His church. Plunging deep into the waters of shame, forgiveness and restoration, it will resonate with every woman who's experienced a loss of heart ... and a thirst for hope.

Varina Denman writes stories about the unique struggles women face. She teaches creative writing and literature, volunteers in her local cooperative, and is a home educator to her five children. She resides with her family in North Texas. This is her first novel.
