Political Economy After Economics: Scientific Method and Radical Imagination (Routledge Frontiers of Political Economy)

David Laibman

Political Economy After Economics: Scientific Method and Radical Imagination (Routledge Frontiers of Political Economy) David Laibman

This re-incorporation of economics into political economy is one (small, but not insignificant) element in a larger project: to place all of the resources of present-day social-scientific research at the service of increasing democracy, in an ultimate direction toward socialism in the classic sense. An economics-enriched political economy is, above all, empowering: working people in general can calculate, build models, think theoretically, and contribute to a human-worthy future, rather than leaving all this to their "betters."
