Terremoto dentro (Italian Edition) Alessandra Pederzoli

Una raccolta di racconti. Una storia fatta di tante storie.

Da L'Aquila a l'Emilia.

Il terremoto fa paura, mette paura, sconvolge i percorsi e le strade certe. Il terremoto porta alla luce un'unica grande verità, l'incertezza e la fragilità che rende l'uomo piccolo di fronte a una natura che non chiede il permesso.

Il terremoto arriva quando non lo sai e porta quello che neanche immagini o potevi immaginare.

Lascia segni. Ovunque.

Le persone. Quelle segnate, in molti modi diversi, lungo diversi percorsi, che poi ricominciano, ricostruiscono, prendono coscienza e, una pietra dopo l'altra, un passo dopo l'altro, reinventano il domani.

Sono proprio le persone il centro di queste storie.

I racconti, dunque, sono raccolti in due sezioni, Abruzzo 6 aprile 2009 3.32 ed Emilia 20 – 29 maggio 2012. L'esplorazione, da un lato, di una storia di altri che si voleva fare propria, attraverso la costruzione di narrazioni e dall'altro il racconto della propria storia, si compongono in un unicum, articolato e vario, in cui i tanti aspetti, così diversi e complicati di questo terremoto fuori e terremoto dentro, si intrecciano, fino a dipingere quel quadro meraviglioso che è l'uomo e la sua fragile potenza.
