**The Nine Mile Walk: The Nicky Welt Stories** Harry Kemelman

**Eight stories of murder, starring one of the most brilliant armchair detectives of all time from the author of the Rabbi Small Mysteries**

Before creating the widely popular Jewish sleuth Rabbi Small, Harry Kemelman authored a series of short stories featuring another quick-witted and wisecracking amateur sleuth: college professor Nicky Welt. Collected in *The Nine Mile Walk*, the Nicky Welt stories are a mix of ingenious logic puzzles and brilliant detective work, revealing that Kemelman has always been a master of the genre.

In the collection's title story, Welt overhears a simple phrase: "A nine mile walk is no joke, especially in the rain," and from this evidence alone he not only figures out that a crime is about to be committed, but also realizes how to stop it. Whether chasing a kidnapper or puzzling over a dead man's chessboard, Welt is armed with the most powerful weapon on earth: the human mind.
