Walking in Light: The Everyday Empowerment of a Shamanic Life Sandra Ingerman

A shaman can serve as a healer, storyteller, and a keeper of wisdom—but most of all, teaches Sandra Ingerman, “Shamans radiate a light that uplifts everybody. In our culture, we tend to focus on methods and forget that the greatest way we can offer healing to the world is to become a vessel of love.” With *Walking in Light*, this renowned teacher offers a complete guide for living in a shamanic way—empowered by purpose, focus, and a deep connection to the spiritual dimensions.

“Shamanism remains so relevant because it continues to evolve to meet the needs of the times and culture,” teaches Sandra. Here you are invited to participate in the modern evolution of this ancient and powerful form of spirituality, featuring:

- Foundational practices—lucid instruction on the shamanic journey, ceremonies, and other techniques for accessing the hidden realms of spirit
- Compassionate spirits, allies, and ancestors—how to contact and build a relationship with your power animals and spiritual helpers
- Healing from a shamanic perspective—practices that can integrate with and enhance any healing modality
- Guidance for deepening your connection with the environment and the rhythms of the natural world
- Ways to cultivate a rich inner landscape that empowers your intentions and actions in every aspect of your life, and much more

Walking in Light is a comprehensive resource filled with practical techniques, indigenous wisdom, and invaluable guidance for both new and experienced shamanic practitioners. Most importantly, Sandra Ingerman illuminates the meaning behind the practices—revealing our universe as a place where spirit is the ultimate reality, where our intentions shape our world, and where unseen allies support us on every step of our journey.
