Wife Makes Husband Be Her Sissy Slave (Sissy Husband) (Volume 1) Dani Jensen

There comes a time in every marriage when secret thoughts bring forth tough questions that eventually must be answered – questions that have surfaced in the mind many times before; only to be pushed back down inside where we ignore them out of fear of what our answer would be - if the truth were really told. Afraid of the impact complete honesty could have on our lives and those around us. So instead, we choose to hide these thoughts; only allowing ourselves to ponder them during moments of extreme arousal brought on by sexual fantasies of the most perverse nature. But, once in while, someone in a marriage will break the normal pattern and choose to admit the secret lusts of their heart – and are eager to finally act upon them – no matter the cost.
