A Grammar of Creek (Muskogee) (Studies in the Anthropology of North American Indians) Jack B. Martin

Creek (or Muskogee) is a Muskogean language spoken by several thousand members of the Muscogee (Creek) and Seminole nations of Oklahoma and by several hundred members of the Seminole Tribe of Florida. This volume is the first modern grammar of Creek, compiled by a leading authority on the languages of the southern United States.

Intended for scholars, students, and Creek instructors, this reference grammar describes all the major morphological and syntactic patterns in the language. Special attention is given to pitch accent and tone, active agreement, locative prefixes, tense, aspect, and switch reference. The description covers several hundred years of documentation and draws heavily on materials written by Creek speakers. It is likely to be the definitive source on the language for years to come.

From reader reviews:

Nettie Powers:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each book has different aim or even goal; it means that publication has different type. Some people really feel enjoy to spend their time and energy to read a book. They are really reading whatever they consider because their hobby is actually reading a book. What about the person who don't like studying a book? Sometime, individual feel need book whenever they found difficult problem or perhaps exercise. Well, probably you'll have this A Grammar of Creek (Muskogee) (Studies in the Anthropology of North American Indians).

Kathy Donnelly:

Reading a guide tends to be new life style on this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some study before they write to the book. One of them is this A Grammar of Creek (Muskogee) (Studies in the Anthropology of North American Indians).

Kimberly Mason:

The reason why? Because this A Grammar of Creek (Muskogee) (Studies in the Anthropology of North American Indians) is an unordinary book that the inside of the guide waiting for you to snap that but latter it will zap you with the secret the idea inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of gains than the other book have such as help improving your talent and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the e-book store hurriedly.

Bruce Delvalle:
