A Student's Guide to Clinical Supervision: You Are Not Alone Glenn E. Boyd

A Student's Guide to Clinical Supervision: You Are Not Alone is surprisingly frank, funny, and encouraging. It urges beginning students to be proactive and engaged in the clinical supervision process without apology and without fear to combat the normal anxiety that comes with learning to be a clinical practitioner. It also encourages training programs to offer beginning students an orientation to supervision as soon as possible after they enter the program. It outlines the importance of the clinical supervision relationship while introducing key elements in the contemporary practice of supervision including a novel emphasis on collaborative learning communities, the results of common factors research, and the emerging importance of core competencies.
