Larry is a night guard at the American Museum of Natural History in New York City. He is also late for work. In his hurry to get out of the bathtub and to his job, he forgets things. Things like shutting off the faucet. . . .

What would happen if Larry's bathtub caused the city to flood? What would become of the museum, particularly the fabulous creatures in the Ocean Room like the blue octopus and giant whale?

Join Milan Trenc, the creator of *The Night at the Museum*, for more adventures inside a world that few ever get to experience—the mysterious world of a museum after the lights go out. It's *Another Night at the Museum!*
