The mind may forget, but the heart remembers...

A *Forces of Nature* novel.

It doesn't take Hayden Garrett's college degree to figure out why Officer Josh Peterson is the last man alive he wants to face. Not because of the council's harebrained idea to broker peace between their clans.

As Hayden and Josh journey through rituals—and intimacies—that will knit their souls for life, passion and anger flares, revealing a powerful secret. The truth about a long-ago sharing of hearts, bodies and souls that ended in tragedy...
