Tell Faith-Filled Fish Tales We've all heard them. "It was this big." "You should have seen the one that got away." People love to tell stories of their fishing adventures. When it comes to faith, however, most people clam up. Why is it we can't talk about what God has done in our life as naturally as we can spin fishing tales? This six-part DVD explores the motivation behind sharing our faith and how it can become a natural part of our lives. Its companion study guide is complete with a leader's guide and six lessons, including conversation-starting exercises, discussion questions, and application steps.
