Pablo a través de los ojos mediterráneos: Estudios culturales de Primera de Corintios (Spanish Edition) Kenneth E. Bailey

En este innovador estudio de la Primera carta a los Corintios, Kenneth Bailey examina esta carta canónica a través de la formación judía socio-cultural y retórica de Pablo y a través del contexto mediterráneo de los corintios.

Revelando las raíces de la carta en el hebreo tradicional profético, su organización intencional teológica y su referencia retórica a las prácticas culturales del Cercano Oriente, Bailey nos permite ver la perspectiva completa de la respuesta de Pablo a una comunidad en crisis.
