The Art of Fiction Ayn Rand

In 1958, and again in 1969, Ayn Rand gathered a small group of her friends and acquaintances and gave an informal course on writing. At once a fascinating philosophical discourse on the art of creation and an invaluable guide for the aspiring writer, these edited transcripts are a treasure that will challenge, edify, and illuminate the way to more powerful writing.

Ayn Rand discusses how a writer combines abstract ideas with concrete action and description to achieve a unity of theme, plot, characterization, and style, the four essential elements of fiction. Here, too, are Rand's illuminating analyses of passages from famous writers, rewrites of scenes from her own works, and fascinating rules for building dramatic plots and characters with depth.
