## **The Wishing Box** Dashka Slater

A sometimes funny, sometimes magical first novel, *The Wishing Box* explores the surprising and unintended consequences of getting what you ask for. Julia, an almost-30 single mom whose life is mostly together, lives in Oakland with her seven-year-old son. Never suspecting it will actually work, she and her sister create a wishing box and half-seriously hold a ceremony for the return of the father who abandoned them as children. Astonishingly, he comes back but Julia's life has already moved abruptly in a new direction, and she has taken off in much the same way her father had many years before. Julia and her unusual family are at the heart of this novel about appearances and disappearances, the desire to control the future and explain the past, and the legacies passed on from one generation to another.

#### **Wilda Alexander:**

This The Wishing Box is a brand-new way for you who has intense curiosity to look for some information, mainly because it relieves your hunger for info. Getting deeper into it, getting knowledge, more you know or else you who still have a bit of digest in reading this The Wishing Box can be the light food for yourself because the information inside this specific book is easy to get by anyone. These books produce themselves in the form that is reachable by anyone, that's why I mean in the e-book type. People who think that in guide form make them feel drowsy even dizzy, this reserve is the answer. So there is absolutely no in reading a reserve, especially this one. You can find what you're actually looking for. It should be here for a person. So, don't miss the item! Just read this e-book variety for your better life along with knowledge.

#### **Carmelita Ratliff:**

What is your hobby? Have you heard this question when you got college students? We believe that that issue was given by a teacher to their students. Many kinds of hobbies, every individual has a different hobby. And also you know that little person including reading or as studying become their hobby. You must know that reading is very important along with a book as to be the thing. A book is an important thing to increase your knowledge, except your teacher or lecturer. You will find good news or updates regarding something by book. Numerous books that you can go on to be your object. One of them are these claims The Wishing Box.

#### **Regina Schubert:**

Reading a publication makes you get more knowledge as a result. You can take knowledge and information coming from a book. A book is created or printed or outlined from each source that filled with updates of news. In this modern era like at this point, many ways to get information are available for you actually. From media such as newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just looking for the The Wishing Box when you desired it?
