Journalist Laura Ackroyd has a lot on her plate. Having recently discovered she is pregnant, she must now gather her courage to tell her partner, DCI Michael Thackeray. So she could have done without the task of profiling Sir David Murgatroyd, the wealthy venture capitalist taking over a local school, especially as, apart from learning from learning of the tragic suicide of his mother, Laura finds him to be an elusive subject. Gradually, Laura discovers more about Murgatroyd, his beliefs, and his power to persuade those around him to his way of thinking. But is there a more sinister side to him that Laura has yet to discover? Meanwhile, Thackeray, in the dark about his impending fatherhood, is busy with the disappearance of Karen Bastable, a young woman who went missing after an illicit meeting in the local forest. As the two parents' careers collide, a web of secrecy is revealed, and Laura must think of her own safety as she becomes entangled in a reality that is far darker than she could have ever imagined.
