Does God Exist? Discussion Guide: Building the Scientific Case (TrueU)

Can we prove the existence of God, or are we left to grapple in the dark and take blind leaps of faith about what we believe? Everyone asks these questions, and maybe you think you have the answers. But can you defend your beliefs when peers and professors are challenging your worldview? Dr. Stephen Meyer helps you examine the evidence and provides the tools needed to defend your faith and make it your own. This 64-page full-color discussion guide is designed to be used with the *TrueU: Does God Exist?* DVD kit (978-1-58997-339-8). Sold separately, this book is filled with discussion questions designed to dig deeper into the ten 30-minute lessons featured on the DVDs. As you examine and discuss the evidence, you will be better equipped to defend your faith in an increasingly hostile culture. This book is also available in a 10-pack (978-1-58997-116-5).
