Lovely Megan Chasen was deep in the Beckham family secrets and even deeper into her affair with Clark Beckham, and she hoped he would survive the in or out showdown with his father. Their Dallas family oil and gas empire apparently taught the whole family a lot of slick tricks. Her friend Cassie Beckham kept pushing Megan into sexy trouble, the lovely mother Marion Beckham tried to show her how to hold on by letting go, Charles Beckham was the brother who tried to rig the games, and then the lovely blonde named Megan Chasen met the family tycoon himself, Chester Beckham. It had looked like her infuriating seducer Clark Beckham had the two of them back on the track to more hard wet private moments, but he was the steam engine that never stopped getting her deeper into his high flying lifestyle. Her charming rogue took her into the darkness of a remote lake house to show her the wet guiding lights he saw within her, only to have a raven haired beauty named Melissa Eckhart two step into their couples therapy and show them her sexy ideas of southern hospitality. The music they made together didn't just end with a bang. The beautiful blue eyed blonde named Megan Chasen learned more secrets that prodigal son Clark Beckham had. She learned why they said you had to crawl before you could walk. Darkness and light both came after midnight.
