Laxton's Building Price Book 2001: Major and Small Works

NEW - Fully resourced data on CD with Laxton's 2001! The free CD with this price book contains Masterbill's ESTIMATOR software and fully resourced data on all the price elements in Laxton's. Not only does the CD offer fast and efficient pricing at the touch of a button, it gives details of all the resources required to do the job. On this CD you can search for an individual item, see the resource broken down to show plant, materials and labour costs, create and view job estimates, change values and manipulate data, and customise the database to suit your own requirements.

Laxton's makes analytical estimating simple and straightforward by displaying a complete breakdown for all measured items under 10 separate headings, all on a single page. This shows you a complete price build-up at a glance - and gives you the option to make price adjustments wherever necessary.

Laxton's gives you access to the most reliable and current data. All 250,000 price elements have been individually checked and updated for the 2000 edition so that your estimates are always accurate and cost competitive.

Laxton's is produced in accordance with SMM7, the format which enables you to tender for local and public health authorities, MOD, Housing Associations and many other organisations.

Laxton's is easy to use. You can find the sections you need quickly and easily, via the special marker system on the front cover and page edges. There is also a comprehensive index that takes you directly to specific items and subjects.

Laxton's approximate estimating section gives all in pricing for quick reference on the cost of composite items such as floors helping you calculate the cost implications of using plywood sheeting rather than softwood boarding, for example.

Laxton's Basic Price section gives you a quick price on hundreds of items - from concrete work to roofing materials - to save you going through hundreds of lists from suppliers, manufacturers and building merchants.

Laxton's Brand and Trade Names section is a unique list of over 12,000 brands and trade names plus company addresses to help you locate specific items.

Laxton's offers you the chance to have your companies services advertised in the book itself and consequently seen by thousands of construction industry professionals throughout the year.
