The Hellcopters Du kérosène dans les veines (French Edition) Rudy Charis

Monté en 1994 comme un projet parallèle par Nick Andersson avec ses trois roadies sur les tournées d'Entombed, The Hellcopters furent pendant 14 ans les fers de lance d'un rock à forte intensité, le High Energy Rock'n'Roll, induisant un engouement pour ce style suivi par la renaissance, au début du millénaire, de modèles du genre tels le MC5, The Stooges ou Radio Birdman. De leurs débuts garage tonitrueux récompensés d'un Grammy Award inattendu jusqu'à leur dernier album composé de reprises de groupes de la même trempe, les hélicoptères de l'enfer ont symbolisé cette haute-fidélité envers la musique (envers la leur et celle des autres donc) chère aux amateurs de vinyles, sans jamais se renier pour une valise de billets. Qui d'autre que Nick Andersson, qui par ailleurs créera avec The Solution l'un des premiers groupes de white soul deux ans avant le succès de Amy Winehouse & co., peut se targuer d'être un musicien précurseur et respecté de ses pairs dans des styles aussi différents que le Death Metal (Entombed) le Rock au sens large (The Hellcopters) ou la Soul (The Solution)? De leurs premiers pas dans la musique jusqu'à leurs derniers projets en 2015, cet ouvrage retrace le parcours des membres du groupe, avec leur participation directe ainsi que celles de nombreux autres artistes ayant été survolés par les Suédois, qui ont mené leur carrière comme personne d'autre – Like no other men.

From reader reviews:

William Smith:

The reason? Because this The Hellcopters Du kérosène dans les veines (French Edition) is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the reserve store hurriedly.

Joseph Williams:

Playing with family in the park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, and then why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Hellcopters Du kérosène dans les veines (French Edition), you can enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Juan Farley:

Would you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Attempt to pick one book that you just dont know the inside because don't assess book by its cover may doesn't work this is difficult job because you are frightened that the inside maybe not because fantastic as in the outside appearance likes. Maybe you answer may be The Hellcopters Du kérosène dans les veines (French Edition) why because the great cover that make you consider regarding the content will not disappoint a person. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly assist you to pick up this book.

Janice Martin:

As we know that book is important thing to add our know-how for everything. By a reserve we can know everything we wish. A book is a pair of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This publication The Hellcopters Du kérosène dans les veines (French Edition) was filled about science. Spend your extra time to add your knowledge about your technology competence. Some people has several feel when they reading a new book. If you know how big selling point of a book, you can feel enjoy to read a e-book. In the modern era like right now, many ways to get book which you wanted.
