Towards Awareness Hemant Chopda

This book is written from a psychological perspective by the author sighting examples from Jainism. A critical view by the author creates a conflicting note in the text while explaining the crossing paths of the atheists and the religious people. The analysis of the blind followings as explained by the author is te key to understanding his views. On a high note, the journey towards awareness is not as easy as it seems, full of trials and tribulations it starts from within.
