## **La palabra cementerio (Spanish Edition)** Arnoldo Gálvez Suárez

Este libro, el tercer título publicado por Gálvez Suárez, contiene seis cuentos que se entrecruzan y que con frecuencia se contraponen: la del hombre que escucha en una cervecería urbana, y casi contra su voluntad, una historia lejana de violencia en un barrio periférico; la del muchacho que reconstruye una pesadilla de expiación y de culpa en el lecho de su amante. La de un hombre y una mujer que ven cómo se les destruye el deseo frente a una presencia amenazadora. La de tres personajes que reconstruyen un juego de traiciones en el apagado escenario de la violencia política. Esa de un abandonado complejo turístico que se encuentra rodeado por la miseria y la marginación. Y la de un viaje iniciático a Panajachel encierra una inquietante agitación sexual y autodestructiva.
