A joyride turns deadly in this tale of murder and retribution

The motorcycle appears out of nowhere, thundering down the quiet residential street. By the time it roars back up the block and disappears from view, a little boy is injured and an elderly woman is dead.

Salem University outsider Echo Glenn is paying her own way through college by working part time at the school infirmary. She thinks she knows the identity of the Mad Biker in black leather who's been terrorizing the town—she just needs confirmation. And while she's at it, maybe she'll sneak a ride on his Harley. But the joyride turns into a journey of terror when the bike plows into a group of students outside a college hangout.

Now Echo is an accomplice to murder—and the target of an avenging killer who's going to make sure she doesn't live to tell the tale.

This ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection.
