Through Water, Ice & Fire: Schooner Nancy of the War of 1812 Barry Gough

The schooner *Nancy*, legendary vessel of Great Lakes and Canadian history, lived a thousand lives in a noted career that began in Detroit and ended in a fiery explosion in Nottawasaga River in the last year of the War of 1812.

This dramatic, soundly researched narrative depicts the reality of the men who sailed her while fighting a gritty war. Carrying the war to the enemy in hazardous ways, they fought against a powerful American foe, using stealth and daring to maintain the besieged Canadian position in the last armed struggle for the heartland of North America. The loss of the *Nancy* inspired generations to regard her as a symbol of devotion to king and country.
