## ABC of Sexually Transmitted Infections (ABC Series)

With sexually transmitted infections (STIs) a major cause of morbidity and mortality throughout the world, the new edition of *ABC of Sexually Transmitted Infections* is a much-needed introduction and reference guide providing concise and practical information on a range of conditions.

This sixth edition includes the latest guidance on the prevalence, prevention and treatment of STIs, screening programmes and new testing methods. It features new chapters on service modernisation and new care providers, high risk and special needs groups, the use of the internet for information and education, systemic manifestations and sexually transmitted infections in resource-poor settings. Contraception is also covered, reflecting the increasing integration of STI and contraceptive services.

With an international authorship, the *ABC of Sexually Transmitted Infections* is an authoritative guide and reference for all practitioners, especially those providing community based STI diagnosis and management such as GPs, primary care physicians and contraceptive service providers. Junior doctors, medical students, and nurses working in community or specialist services will also find it a valuable resource as will those working in the fields of obstetrics and gynaecology and public health. This new edition also provides information useful for new STI care providers such as pharmacists, those in the voluntary sector and providers of STI services in resource-poor settings.

#### **Dorinda Kling:**

This ABC of Sexually Transmitted Infections (ABC Series) is great reserve for you because the content and that is full of information for you who else always deal with world and have to make decision every minute. This particular book reveal it information accurately using great organize word or we can state no rambling sentences inside it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having ABC of Sexually Transmitted Infections (ABC Series) in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no reserve that offer you world with ten or fifteen moment right but this reserve already do that. So , this is good reading book. Hi Mr. and Mrs. hectic do you still doubt that?

#### **Dawn Dustin:**

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very

important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this ABC of Sexually Transmitted Infections (ABC Series) can make you feel more interested to read.
