Still Open: The Guide to Traditional London Shops Sally Venables, Steve Williams

"Still Open" is an intimate and personal tour of some of the capital's best-kept secrets, the traditional shops that have managed to stay open and flourish in the face of this increasingly fierce competition. From the pie and mash shops of the East End, to the 1950s Italian delis of Soho, to James Taylor and Son's classic umbrella shop on Gower Street, "Still Open" also takes in butchers, florists, coffee shops, clothes shops, toyshops and milliners. The establishments' interiors and exteriors are beautifully photographed by renowned photographer Brian Benson; and the history of each is told by their proprietors and customers. Personal anecdotes, historical documents and the city's broader history are all invoked as "Still Open" weaves a compelling tapestry out of the many strands that make up the highways and byways of London. Accessibly divided into geographical areas, "Still Open" sketches out a portrait of the city and its history - both its well trodden routes and its hidden gems. A guide-book with a difference, "Still Open" is essential for both Londoners and tourists alike. It is at once a social history, a photographic essay on interior design through the ages and an affectionate look at the last vestiges of romance on the high street.

It should be here for you. So , don't miss this! Just read this e-book sort for your better life as well as knowledge.

Denise Niemi:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Still Open: The Guide to Traditional London Shops can make you feel more interested to read.
