"Sequel to The New Boy "

"An Iron Eagle Gym Novel "

While new couple Tide and Lance spend time deepening their relationship and further introducing Lance to the joys and vagaries of being a sub, established couple Tyrone and Bran discover that they still have a thing or two to learn as well.

A new job finds Bran run off his feet, and a visit to the eye doctor leads to the discovery of a brain tumor. Bran is terrified. He strives to be the perfect sub for his beautiful master and sees the tumor as a personal failing as he tries to handle every last phone call, e-mail, and text that comes in, no matter how early or late. When Tyrone finally finds out about the tumor Bran s been keeping a secret, he realizes he s been taking his sub for granted, and he works to rediscover his boy and their relationship. Of course, that s easier said than done given that Bran s job is taking up all his time and he would rather pretend the tumor just doesn t exist than actually deal with it.

It's going to take all of Tyrone s prowess as a master to help guide Bran through these troubled waters. "
