From The Ashes Claire Sanders

Fleeing a secret that changed her life forever, Judith Robertson decides she can live in the little cabin in the woods that she inherited from her grandfather. The big barn and the quaint little church just add to the allure of the four hundred acres of her new home. Within minutes of her decision, Reverend Washington asks to use her church building, and Jacob Fraser wants to cut a deal to timber the woods Judith now owns. But arsonists are burning African-American churches and threatening anyone who dares to intervene. Judith loans her church to the recently burned out members of the All Faith Community Church, which brings troubles beyond anything she ever imagined. And Jacob Fraser is everywhere, causing a heart she'd thought was stone cold dead to flutter with emotions she had lost a long time ago. But Jacob has secrets, too. Can two heartbroken people gain the courage to challenge the status quo and accept the Lord's blessings?
