Soft lips on smooth, supple skin, slender curves interlocking.... No wonder girl-on-girl action has never been more popular. From the US hit series *The L Word* to *Sex in the City*, sisters have been doing it for themselves.

And now Xcite books, one of the UK's best-known purveyors of quality erotic fiction, delves into the world of Sapphic desires in this latest collection.

Here are tales of lip-smacking lesbian action guaranteed to make your next night out with the girls even more fun.

'Toy Story' - a seemingly innocent invitation to hang out after work led the two girls to something far more erotic....

'Come Dressed Up' - she loved underwear, but arriving at the lingerie store early and being mistaken for staff was just the beginning of the adventure....

'Siren' - on holiday, she couldn't keep her eyes off the yacht in the harbour, and the beautiful and enigmatic woman aboard....

'In the Company of Women' - discovering on a hen weekend that one of their friends was a stripper, she entered a whole new lesbian world....

'The Choice' - depressed by relationship blues, she went to visit her old school friend, and found a new sapphic side to herself....

'Glass Houses' - she couldn't help snooping, but when she was caught peeking at her new glass toy, erotic punishment was in order....

'Dancing Queen' - they always went clubbing together, but tonight was to prove entirely different from normal....

'Summer Camp' - being caught smoking by the butch camp owner's daughter was going to get her what she deserved....
