**Symposium (Translated & Annotated) (Hackett Classics)** Plato, Paul Woodruff, Alexander Nehamas

• Translated by Paul Woodruff and Alexander Nehamas.

"A model of the kind of text one needs for lecture courses: the translation is extremely readable and made even more accessible by intelligent printing decisions (on dividing the text, spacing for clarification, etc.); the notes are kept to a minimum but appear when they are really needed for comprehension and are truly informative. And the introduction admirably presents both basic information and a sense of current scholarly opinion."

—S. G. Nugent, *Princeton University*

"A fantastic book. Translation is graceful and elegant yet uncannily accurate. Footnotes very useful, especially for teaching purposes, and the price is surprisingly low."

—Eve Browning Cole, *University of Minnesota*
