Alien Vault: The Definitive Story of the Making of the Film Ian Nathan

For over thirty years, audiences have been simultaneously captivated and appalled as the spaceship Nostromo is invaded and its crew stalked by a terrifying parasitic creature. From the gore of the infant alien bursting from Kane's chest to the mounting claustrophobia as Ripley discovers the monster has followed her into the escape shuttle, *Alien* is a chilling masterpiece.

Now, *Alien Vault: The Definitive Story of the Making of the Film* opens a portal into the making of this legendary film, tracing its path from embryonic concept to fully fledged box office phenomenon.

Featured herein are director Ridley Scott's own annotated storyboards, Polaroids and script pages; the elegant but disturbing concept artwork of H.R. Giger; sketches and construction blueprints for the Nostromo; costume designs by Moebius; a treasure trove of never-before-seen photographs of the cast and crew; and ten meticulously reproduced artifacts, enclosed in vellum envelopes, for readers to remove and examine more closely.

Fully authorized and illustrated throughout, *Alien Vault* is the ultimate tribute to a movie that changed cinema forever.
