For many years it has been on my heart to try to produce a running commentary on the book of Ezekiel, but until the present, circumstances have not permitted this. During the last few months it has brought great blessing to my own soul as I have given many hours daily to meditation upon and study of this remarkable book, of which the present work is the result. No one can be more conscious than I of its many imperfections, and yet it is my hope that there may be enough in it of a truly spiritual character that it will prove a means of blessing and edification to those who take the time to read it thoughtfully and prayerfully.
