Finding God in Autism: A Forty Day Devotional for Parents of Autistic Children Kathy Medina

Finding no books with Biblical references to help her face the challenges of raising a child with special needs, Kathy did intense research to bring back her hope. Listening to the many preachers on TBN and doing Bible studies, she studied Scriptures to help her understand God's plan for her child's life. Doctors and teachers offered no hope and told her to brace herself for the long, dark road she was now on. Raised in a Christian home and active in her local church, she knew in her heart that the God she serves is a God of mercy. Here are Scriptures to restore your hope, strengthen your faith and show you that God has a plan for your child's life. Scriptures to promise that God is listening to your every prayer, that He is watching the work and efforts being done on behalf of your children. Scriptures that will empower you to be strong and steadfast, reminding you that with God, nothing is impossible.
