Forever Dixie: A Field Guide to Southern Cemeteries & Their Residents Douglas Keister

When author/photographer Douglas Keister's book *Stories in Stone* came out in 2004, *Sunset* magazine stated, "Keister has done for cemetery exploration what Audubon did for birding." Since then, cemetery fans have been clamoring for more. Keister has answered them with *Forever Dixie*, an exploration of thirteen of the South's best cemeteries and forty notable southerners who have chosen to call the South their permanent home. *Forever Dixie* gives cemetery explorers GPS directions to the graves of famous southerners such as Martin Luther King Jr., Elvis Presley, Johnny Cash, Tammy Wynette, Colonel Sanders, Casey Jones, Johnny Mercer, and dozens more. Also featured are interesting and unique graves of ordinary citizens like Thelma Holford of Jonesboro, Arkansas, who commissioned an Italian marble statue of herself and her beloved dog, Bunnie. *Forever Dixie* is a great gift for all those who call America's southern states home and for those who may have moved but whose hearts, souls, and roots still live in the South.
