In-House Book Binding and Repair Sharon McQueen

In-House Bookbinding and Repair is a working document that contains information on setting up both a basic bookbindery and repair lab (i.e. the design, equipment, tools, and supplies needed) and instructions on rebinding and repairing cloth-bound books. Highly illustrated to greater enhance its usefulness, this manual also covers various aspects of book repair and conservation, and contains appendixes on manufacturers and suppliers of materials and products discussed in the text, an extensive Glossary of terms, a separate section on World Wide Web Resources, and a helpful bibliography.

This manual will prove valuable to libraries of all sizes and locations. Library managers and administrators will find it a worthwhile resource as they contemplate the utility of an in-house lab. Library staff charged with various aspects of bookbinding and book repair will find the manual to be a practical reference tool. The volume is also designed to be used as a primer for related courses in Library and Information Science Studies programs and may be of interest to individuals interested in private practice.
