**The Perfect Theory: A Century of Geniuses and the Battle over General Relativity** Pedro G. Ferreira

**“Ferreira masterfully portrays the science and scientists behind general relativity’s star-crossed history and argues that even now we are only just beginning to realize its vitality as a tool for understanding the cosmos.” —*Scientific American***

Einstein’s theory of general relativity is possibly the most perfect intellectual achievement of modern physics. For almost a century now, physicists have been delving into Einstein’s theory, seeking an understanding of the history of the universe, the origin of time, and the evolution of solar systems, stars, and galaxies. The expanding universe, the light-speed barrier, black holes, wormholes, time travel—general relativity has allowed scientists’ imaginations to take flight with new possibilities, revealing a universe that is much stranger than anyone ever expected.

Just in time for the theory’s hundred-year anniversary, physicist Pedro Ferreira’s *The Perfect Theory* explains just how staggering an achievement general relativity was while bringing to life the infighting that it sparked in the field of physics over the past century.

“A rollicking good read . . . With crisp explanations and narrative flair, Ferreira offers us a fun, fresh take on a magnificent part of modern science.” —Steven Strogatz, author of *The Joy of  $x$*

“One of the best popular accounts of how Einstein and his followers have been trying to explain the universe for decades.” —*Kirkus Reviews*, starred review

### **From reader reviews:**

#### **Brian Lowe:**

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite e-book and reading a book. Beside you can solve your short lived problem; you can add your knowledge by the e-book entitled The Perfect Theory: A Century of Geniuses and the Battle over General Relativity. Try to the actual book The Perfect Theory: A Century of Geniuses and the Battle over General Relativity as your buddy. It means that it can to get your friend when you truly feel alone and beside that of course make you smarter than ever. Yeah, it is very fortunated for yourself. The book makes you more confidence because you can know almost everything by the book. So , let's make new experience and knowledge with this book.

#### **Cortney Roller:**

In this 21st centuries, people become competitive in every way. By being competitive currently, people have do something to make these individuals survives, being in the middle of the crowded place and notice simply by surrounding. One thing that at times many people have underestimated the item for a while is reading. That's why, by reading a publication your ability to survive enhance then having chance to stand than other is high. For yourself who want to start reading a new book, we give you that The Perfect Theory: A Century of Geniuses and the Battle over General Relativity book as nice and daily reading reserve. Why, because this book is greater than just a book.

#### **Maxine Whitley:**

Reading can called mind hangout, why? Because if you find yourself reading a book especially book entitled The Perfect Theory: A Century of Geniuses and the Battle over General Relativity your thoughts will drift away trough every dimension, wandering in every aspect that maybe not known for but surely might be your mind friends. Imaging each word written in a e-book then become one type conclusion and explanation that maybe you never get prior to. The The Perfect Theory: A Century of Geniuses and the Battle over General Relativity giving you another experience more than blown away the mind but also giving you useful facts for your better life within this era. So now let us demonstrate the relaxing pattern at this point is your body and mind will be pleased when you are finished examining it, like winning an activity. Do you want to try this extraordinary investing spare time activity?

#### **Byron Hiebert:**

Reserve is one of source of information. We can add our knowledge from it. Not only for students but in addition native or citizen need book to know the update information of year to be able to year. As we know those textbooks have many advantages. Beside all of us add our knowledge, could also bring us to around the world. Through the book The Perfect Theory: A Century of Geniuses and the Battle over General Relativity we can take more advantage. Don't you to be creative people? Being creative person must prefer to read a

book. Merely choose the best book that appropriate with your aim. Don't become doubt to change your life by this book *The Perfect Theory: A Century of Geniuses and the Battle over General Relativity*. You can more pleasing than now.
