## **A Memoir of Injustice: By the Younger Brother of James Earl Ray, Alleged Assassin of Martin Luther King, Jr** Jerry Ray, Tamara Carter

Including previously undisclosed information on one of the most significant and mysterious events in modern American history, this account debunks the myth that James Earl Ray was a racist and documents his actual location on one of the critical days leading up to the assassination of Martin Luther King Jr. The memoir also reveals photographs of James Earl Ray when he was ill in prison and gives the key to a code used by the brothers in planning a prison break. Presenting a mesmerizing perspective on the manipulation of the media in reporting on race relations, the working middle class, and the U.S. criminal justice system, this account broadcasts an urgent call to action to correct some of the many injustices that surround these events, such as the U.S. government's refusal to rigorously test the alleged murder weapon, and encourages support for new federal legislation.
