A benevolent baker, a diabolical queen, an ancient prophecy, and a secret strength that can only be found in two very special people. Hannah Wilkins is bitter. In addition to being teased at school about her weight, she has now been struck blind in a terrible accident, causing her to lose all sense of normalcy, and her tight-knit family. She struggles through every day, each of which only seems to get worse than the last, until one fateful morning when her bus hits a deer and the resulting jolt sends her flying into another universe.

Brandon Pringle struggles every day to fit in and function like the rest of the children at his school. Afflicted by a debilitating limp, he doesn't seem to be useful to anyone. But when he is thrown from the school bus and lands on an unfamiliar riverbank, everything he knows about himself is completely overturned. Tossed together in the unfamiliar and turbulent land of Crimilia, Hannah and Brandon must fight their way through the unfamiliar landscapes of jealousy, greed, temptation, and hate in order to help restore peace to a land run by a tyrant. With the help of a few friends and through the goodness of a kindly baker named Jamal, they might just succeed in freeing the citizens of Crimilia from the ruthless Queen Salak. Join author Meredith Burton for an unforgettable tale of friendship, faith, and perseverance in the land of Crimilia.
