## **Hexagone Blues Tome 1 (French Edition)** David Baerst

S'il puise sa source au plus profond des musiques séculaires afro-américaines, le blues français possède indéniablement sa propre personnalité. Une personnalité qui s'est forgée au fil des ans, nourrie d'influences diverses. Pour la première fois se trouvent réunis, au sein d'un même recueil, bon nombre de protagonistes et amateurs. Qu'ils soient musiciens, écrivains, réalisateurs, comédiens, journalistes ou encore intellectuels, tous se confient avec exaltation sur cet idiome toujours soucieux des préoccupations sociales qui jalonnent son existence. Formant une véritable rétrospective, Hexagone Blues vous invite à les suivre sur la route, à travers des textes explicatifs, des présentations et des témoignages glanés sur trois décennies. Tout au long de ces pages, vous deviendrez à votre tour acteur et vous trouverez confronté à des échanges passionnés, à des coups de gueule ou à des monologues éclatants qui n'aboutissent qu'à une seule conclusion : le blues est bel et bien une réalité française ! « They didn't know it was impossible so they did it. » (Mark Twain)
