Against War

Desiderius Erasmus

Against War Desiderius Erasmus

The Treatise on War, of which the earliest English translation is here reprinted, was among the most famous writings of the most illustrious writer of his age. Few people now read Erasmus; he has become for the world in general a somewhat vague name. Only by some effort of the historical imagination is it possible for those who are not professed scholars and students to realize the enormous force which he was at a critical period in the history of civilization. The free institutions and the material progress of the modern world have alike their roots in humanism. Humanism as a movement of the human mind culminated in the age, and even in a sense in the person, of Erasmus. Its brilliant flower was of an earlier period; its fruits developed and matured later; but it was in his time, and in him, that the fruit set!
