Ive come to believe that the Lord opens doors before me and closes them behind me, and if I dont drag my feet too much, He will take me where He wants me to be. Its exciting to explore the rooms along the way. With my husbands help and encouragement every step of the way, Ive tried to take advantage of opportunities that have knocked. This is part of the journey. These recollections of events from the past were purposely pursued in order to find lessons I had learned or should have learned from a life rich with many people, students, family and friends who share a part. I think that this book, an my desire to help you through it, is one of the open doors.
