Like It Is: A Teen Sex Guide

E. James Lieberman M.D.

Like It Is: A Teen Sex Guide E. James Lieberman M.D.

Before the age of 20, more than half of teenagers have sex, and one out of four contracts a sexually transmitted disease. One million adolescent women become pregnant each year, and 80 percent of these pregnancies are unintended.

This book provides comprehensive, straightforward information about sex, relationships, and birth control in reader-friendly terms, emphasizing informed consent and mutual respect. A tool for young adults coming to terms with their sexuality, this book is appropriate for teens to read on their own and will serve teachers, parents and health educators who work with young adults. It includes a curriculum guide that provides questions for discussion and background history on various topics, plus an appendix of resources for additional information on sexuality, birth control, teen pregnancy, sexually transmitted diseases and related topics--with addresses and Internet sites (when available).
