Morocco (Knopf Guides) Knopf Guides

"Bright with mosaics of paintings, drawings, graphics, photographs, city plans -- the fabric of 'place'...brilliant" -- *New York Magazine*

Standing at the gateway of the Mediterranean, Morocco can easily lay claim to being one of the most beautiful places in the world. Greatly influenced by the Portuguese, French and Spanish, all the while maintaining its own indelible mystique, Morocco is a country of walled cities, snowcapped mountains, royal palaces, spicy cuisine and chaotic, labyrinthine souks. It is romantic, exotic and at once sophisticated and primitive.

Begin your travels across the country -- filled with untold treasures and possibilities as magical as its night-blooming jasmine -- with a journey to the Portuguese citadel of El Jadida and then move on to the stunning cities of Fez, Tangier and Marrakesh. Become knowledgeable in the local culinary specialties such as *ras el hanout* or "head of the house", a blend of cloves, roses and cinnamon mixed by well-practiced grocers.

Filled with information on Morocco's rich artistic heritage from the many foreign artists who were inspired by its landscape and people (Henri Matisse, Eugene Delacroix and Paul Bowles among them) to the indigenous production of rugs, jewelry and *zellige* (elaborate tile patterns) that has gone on for centuries.

From reader reviews:

Cassandra Tucker:

In this 21st millennium, people become competitive in most way. By being competitive at this point, people have do something to make all of them survives, being in the middle of the crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Yep, by reading a guide your ability to survive boost then having chance to stay than other is high. For you personally who want to start reading a new book, we give you this specific Morocco (Knopf Guides) book as starter and daily reading guide. Why, because this book is more than just a book.

Daniel Downey:

As people who live in the actual modest era should be upgrade about what going on or information even knowledge to make all of them keep up with the era that is always change and move ahead. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to an individual is you don't know which one you should start with. This Morocco (Knopf Guides) is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Carol Hamilton:

Information is provisions for anyone to get better life, information nowadays can get by anyone on everywhere. The information can be a know-how or any news even a huge concern. What people must be consider while those information which is inside the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Morocco (Knopf Guides) as your daily resource information.

Wanda Jacobsen:
