## **Shifty** Lynn E. Hazen

Fifteen-year-old Shifty knows all about moving around and next to nothing about where he came from. When he's assigned to a new foster home and family, he tries hard to keep cool and stay out of trouble. But it seems like the more he tries to do the right thing, the more trouble he finds. As Shifty navigates a series of messy summer adventures, he struggles to find a balance between the street-wise spirit that has helped him survive and his longing for a place to call home. Lynne E. Hazen has created a fast-paced, page-turning plot full of surprises and warmth.

### From reader reviews:

#### **Jesica Demarco:**

Have you spare time for any day? What do you do when you have considerably more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent their very own spare time to take a stroll, shopping, or went to the actual Mall. How about open or perhaps read a book allowed Shifty? Maybe it is to become best activity for you. You know beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with its opinion or you have different opinion?

#### **Lisa Jennings:**

Spent a free the perfect time to be fun activity to complete! A lot of people spent their spare time with their family, or their very own friends. Usually they undertaking activity like watching television, planning to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? May be reading a book may be option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the publication untitled Shifty can be very good book to read. May be it is usually best activity to you.

#### **Shawn McDonald:**

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV all day every day. You can have new activity to shell out your whole day by studying a book. Ugh, you think reading a book really can hard because you have to accept the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Smartphone. Like Shifty which is keeping the e-book version. So , why not try out this book? Let's view.

#### **Goldie Oleary:**

Do you like reading a e-book? Confuse to looking for your selected book? Or your book has been rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes studying, not only science book but novel and Shifty or maybe others sources were given understanding for you. After you know how the truly great a book, you feel need to read more and more. Science guide was created for teacher or perhaps students especially. Those textbooks are helping them to include their knowledge. In additional case, beside science publication, any other book likes Shifty to make your spare time far more colorful. Many types of book like this.
