The Moonstone Wilkie Collins

The Moonstone (1868) by Wilkie Collins is a 19th-century British epistolary novel, generally considered the first detective novel in the English language. The story was originally serialised in Charles Dickens' magazine *All the Year Round*. The Moonstone and *The Woman in White* are considered Wilkie Collins' best novels. Besides creating many of the ground rules of the detective novel, *The Moonstone* also reflected Collins' enlightened social attitudes in his treatment of the servants in the novel. Collins adapted *The Moonstone* for the stage in 1877, but the production was performed for only two months (font: Wikipedia)
