Some people would die to have the perfect picture

Derrick, the new kid at Boulder High, seems a little strange. Maybe he's just shy, or marches to the beat of a different drummer, but he gives Cynthia the creeps. He's got talent with a camera, though, and quickly earns a spot in the school photography club with Megan, who has been having strange dreams ever since he arrived.

When the pretty girls Derrick photographs for the school paper begin getting sick, Megan realizes his camera can do more than take spectacular photos—it can actually kill. And Megan is not immune to Derrick's control. Can she stop him before she becomes his next victim?
